Rehabilitation Loan Program Out of Funds

The Rehabilitation Loan Program is out of funds. Effective today, January 9, Minnesota Housing will no longer accept new loan commitments for the Rehabilitation Loan Program. The next round of funding will not be available until further notice. The next Affordable Housing Plan cycle is scheduled to begin on October 1, 2013.

Limited funds are still available for emergency issues through the Emergency Loan Program. The balance of these funds is available on our [website](#).

If you have questions regarding the Emergency Loan Program, please contact Tonya Taylor tonya.taylor@state.mn.us 651.296.8844.

As a reminder, applicant tracking reports are due at the end of March. Please continue to track your applicants and outcomes and report them to Minnesota Housing. **We use the applicant tracking information to gauge and monitor Program demand.**

In anticipation of future funding, Minnesota Housing will be seeking input from its Rehabilitation Loan Program lenders to discuss ways to better target the program to households and rehabilitation improvements of greatest need.

If you have questions, please do not hesitate to contact Laurie Kramka at 651.296.3495 or laurie.kramka@state.mn.us.
