Renewal Information for Lending Partners - First Time Homebuyer and Fix-up Fund programs

Lender renewal fees and minimum production requirements were waived for this calendar year. Therefore, Minnesota Housing will need only updated information for main office contact, web administrator and branch offices to renew program participation for the current calendar year.

A *Lending Partner Renewal Notice* has been emailed to each main office contact and web administrator listed with Minnesota Housing. Please note that the response deadline for lender renewals is Friday, October 7, 2011.

For organizations seeking trainings or updates on features, benefits, and opportunities of offering Minnesota Housing programs, visit our [Training and Technical Assistance](#) webpage. Minnesota Housing offers in-person and online training on a monthly basis. Sessions are designed for partners who are new to Minnesota Housing programs or just need a refresher about our programs.

For organizations no longer offering Minnesota Housing programs, please note the applicable response choice on the Renewal Notice.

Questions on the Lender Renewal Process? Contact Kathy Aanerud at kathy.aanerud@state.mn.us or Leighann McKenzie at Leighann.mckenzie@state.mn.us.

Hands-On HDS Single Family Web Application Lab

Wednesday, October 12, 2011 from 1:00 - 3:00 p.m. at Minnesota Housing

Minnesota Housing will offer an in-person computer training lab for managers, loan officers, processors, loan specialists, underwriters, closers, post-closers, shippers and final document staff who commit and/or purchase approve loans. This hands-on refresher course will allow attendees to commit, fund approve and update a loan in the HDS SF Web Application. Minnesota Housing staff will be present to assist through the process and answer questions.

In order to attend this session, you must have previously attended one of the HDS SF Web Application-General sessions.

Space is limited, [register online now!](#)
