

Statement of Policy

It is the policy of the Minnesota Housing to take affirmative action to provide equal opportunity in all of our projects programs and other endeavors. The Agency's goal is to achieve a client and recipient mix that is representative of the people who live in our state and our communities, so that all employment and contractual benefits that develop as a result of our programs will be shared by all Minnesotans. This policy applies to all Agency employees and everyone with whom we do business.

Purpose

The purpose of this Plan is to make the Agency's commitment to act affirmatively to achieve equal opportunity in all facets of its operation, clear to both staff and those outside the Agency with whom we do business.

Goals

Our goal is to ensure minority and female business owners equal access to business opportunities on Minnesota Housing financed projects and the presence of minorities and women at all levels on the staffs of the program participants having contractual agreements with Minnesota Housing. The Agency's goal is to ensure that the workforces on the projects and programs we finance reflect demographically the area they are located in. Our goal is to ensure equal business opportunity to minority and female businesses on the projects we finance and equal employment opportunity in the workforces of the firms with whom we sign contractual agreements in which a contractor commits to meet the Agency's employment and business goals. These goals will apply for the length of the contract or the life of the mortgage. The Agency at its discretion may set numerical or percentage goals dependent on the location and size of a given project. Current goals will be determined by staff based on the location of the project.

Requirements

The Agency is required to comply with all state, federal and local laws. These requirements are passed on to everyone we do business with either by contractual agreement or Agency policy.

Sanctions

The Agency has the contractual authority to demand full payment of any loan or grant, stop processing any project at any stage, and to cease to do business with anyone that does not follow our affirmative action policies or fails to meet their contractual equal opportunity obligations.
