INTRODUCTION

This Offering Memorandum (which includes the cover page, inside front cover and Appendices) provides certain information concerning the Minnesota Housing Finance Agency (the "Agency"), created by Minnesota Statutes, Chapter 462A, as amended (the "Act"), and certain of its Residential Housing Finance Bonds, 2006 Series O (the "2006 Series O Bonds"), 2006 Series P (the "2006 Series P Bonds"), 2006 Series Q (the "2006 Series Q Bonds"), and 2006 Series R (the "2006 Series R Bonds" and, collectively with the 2006 Series O Bonds, the 2006 Series P Bonds, and the 2006 Series Q Bonds, the "Series Bonds"), in connection with the offering and sale of the Series Bonds by the Agency and for the information of all who may become initial holders of the Series Bonds. The Series Bonds are being issued pursuant to the Act, a resolution of the Agency, adopted as amended and restated on August 24, 1995, as further amended and supplemented (the "Bond Resolution"), and a series resolution of the Agency adopted on October 26, 2006 (the "Series Resolution"). The Bond Resolution and the Series Resolutions are herein sometimes called the "Resolutions." The Residential Housing Finance Bonds now outstanding in the aggregate principal amount of \$1,494,155,000 as of September 30, 2006, under the Bond Resolution and any additional Residential Housing Finance Bonds hereafter issued pursuant to the Bond Resolution, including the Series Bonds, will be equally and ratably secured and are herein sometimes called the "Bonds."

This Offering Memorandum should be read in conjunction with the Official Statement, dated October 13, 2006, and the Appendices thereto, relating to the sale of \$180,000,000 of the Agency's Residential Housing Finance Bonds, 2006 Series K, 2006 Series L, 2006 Series M and 2006 Series N (Taxable), which is incorporated herein by reference. The Residential Housing Finance Bonds 2006 Series K, 2006 Series L, 2006 Series M and 2006 Series N (Taxable) are not being offered by this Offering Memorandum.

A brief description of the Series Bonds is included in this Offering Memorandum. Brief descriptions of the Agency, the security for the Bonds, the Agency's Residential Housing Finance Program (the "Program"), other programs of the Agency and the Bond Resolution are included in the Official Statement. Information regarding continuing disclosure, the book-entry-only system for the Series Bonds and the proposed forms of the opinions of Bond Counsel, are included as Appendices A, B and C, respectively, to this Offering Memorandum. The financial statements of the Agency as of and for the fiscal year ended June 30, 2006, are included in Appendix A to the Official Statement. The Resolutions should be referred to for the definitions of capitalized terms used herein, some of which are reproduced in this Offering Memorandum and the Official Statement. The summaries and references to the Act, the Resolutions and other documents are only outlines of certain provisions and do not purport to summarize or describe all the provisions thereof. All references to the Act, the Bond Resolution and the Series Resolution are qualified in their entirety by reference to the Act and the Resolutions, copies of which are available from the Agency, and all references to the Series Bonds are qualified in their entirety by reference to the definitive forms thereof and the information with respect thereto contained in the Resolutions.

The Series Bonds are being issued to provide money for the Agency, from proceeds of the Series Bonds and from proceeds of certain outstanding single family mortgage bonds refunded by the Series Bonds, to continue its Program by purchasing Program Loans; provided, however, that such Program Loans will not be purchased with proceeds of the Series Bonds until such Series Bonds are remarketed or refunded on a long-term basis. The Series Bonds to be remarketed or refunded from time to time shall be selected by the Agency in its sole and absolute discretion. Proceeds of the Series Bonds are to be deposited in the Acquisition Fund and invested in Investment Obligations until such time as the Series Bonds are remarketed or refunded in whole or in part on a long-term basis. The Agency may acquire certain Program Loans from its other funds and reimburse such funds from proceeds of the Series Bonds upon any such remarketing or refunding. Costs of issuance, including Underwriters' compensation, with respect to the Series Bonds will be paid with available funds of the Agency. See "Estimated Sources and Uses

of Funds — Series Bonds.” **This Offering Memorandum is only intended to provide information with respect to the Series Bonds prior to the remarketing or refunding thereof.**

DESCRIPTION OF THE SERIES BONDS

General

The Series Bonds are issuable only as fully registered bonds and will initially be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York (“DTC”), who will act as securities depository for each series of the Series Bonds. Wells Fargo Bank, National Association, in Minneapolis, Minnesota, is to serve as Trustee. Interest on the Series Bonds is payable by moneys wired by the Trustee to DTC, or its nominee, as registered owner of such Bonds, which interest is to be redistributed by DTC. Principal of the Series Bonds is payable at maturity or earlier redemption upon surrender at the principal corporate trust office of the Trustee. See “Appendix B—Book-Entry-Only System.”

The Series Bonds of each series are issuable in the denominations of \$5,000 or any integral multiple thereof. For every exchange or transfer of Series Bonds, whether temporary or definitive, the Agency or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer. Interest on the Series Bonds shall be calculated on the basis of a year of 360 days composed of twelve 30-day months and will be payable to the holder of record as of the 15th day prior to the date of payment, whether or not a business day.

The Series Bonds will be dated, as originally issued, as of their date of original delivery. The Series Bonds will bear interest from the date of issuance to November 29, 2007 (the “Mandatory Tender Date”), at the respective interest rates set forth on the inside front cover hereof, payable semiannually on each January 1 and July 1, commencing on January 1, 2007, and on such Mandatory Tender Date. The Agency may establish a prior Mandatory Tender Date with respect to all or part of the Series Bonds upon 15 days’ prior written notice; provided, however, that any such Mandatory Tender Date shall be no earlier than June 1, 2007.

Mandatory Tender and Redemption of Series Bonds Prior to Conversion

The Series Bonds of a respective series are subject to mandatory tender (*without any right to retain*) on the Mandatory Tender Date. The Agency may also redeem any Series Bonds on the Mandatory Tender Date with respect to such Bonds, at a price of par, plus accrued interest, without premium.

On the Mandatory Tender Date, any Series Bonds subject to mandatory tender or redemption on such date are to be purchased or redeemed, as applicable, at a price of par plus interest accrued and unpaid to such date, without premium. Any Series Bonds required to be tendered may, at the option of the Agency, be converted to bear interest on a long-term basis to their maturity.

This Offering Memorandum is not intended to provide information to prospective owners subsequent to a conversion.

The Agency may acquire certain Program Loans from its other funds and reimburse such funds from proceeds of the Series Bonds upon any such remarketing or refunding.

DISCLOSURE INFORMATION

The Agency will covenant for the benefit of the Beneficial Owners of the Series Bonds to provide annually certain financial information and operating data relating to the Agency (the "Agency Annual Report") and to provide notices of the occurrence of certain enumerated events, if material. The Agency Annual Report is to be filed by the Agency no later than nine months after the close of each fiscal year, commencing with the fiscal year ending June 30, 2007, with each Nationally Recognized Municipal Securities Information Repository (a "Repository"). The notices of material events, if any, are to be filed with each of the Repositories or with the Municipal Securities Rulemaking Board.

The specific nature of the information to be contained in the Agency Annual Report or the notices of material events, and the manner in which such materials are filed, are summarized in Appendix A to this Offering Memorandum. These covenants have been made in order to assist the Underwriters in complying with SEC Rule 15c2-12(b)(5).

In addition to the Agency Annual Report required by the Continuing Disclosure Agreement, the Agency also uses its best efforts to prepare a quarterly disclosure report for each of its single family bond resolutions and a semiannual disclosure report for its multifamily bond resolution. Recent reports are available at the Agency's website at http://www.mhfa.state.mn.us/investor/investor_home.htm. The reports are also sent to the Repositories. The Residential Housing Finance Bond Resolution Disclosure Reports generally are filed quarterly. The most recent report is dated as of June 30, 2006, and revised as of October 11, 2006. The Agency is also committed to providing appropriate credit information as requested by the rating agencies rating the securities.

TAX EXEMPTION AND RELATED CONSIDERATIONS

General

The Series Bonds are subject to the requirements of Sections 143 and 148 and certain other sections of the Internal Revenue Code of 1986, as amended (the "Code").

The loan eligibility requirements of Section 143 applicable to Program Loans funded in whole or in part with proceeds of the Series Bonds are that (1) the Home on which the Program Loan is made is a single family residence which, at the time the Program Loan is made, is or can reasonably be expected within a reasonable time to become the principal residence of the Mortgagor and is located in the State; (2) except in certain limited circumstances, no part of the proceeds is to be used to acquire or replace any existing mortgage; (3) the "acquisition

cost” of the Home meets certain limits; (4) the family income of the Mortgagor meets certain limits; (5) with certain exceptions, the Mortgagor shall not have had a present ownership interest in his principal residence during the preceding three years; and (6) the Program Loan shall not be assumable unless the requirements of (1), (3), (4) and (5) above are met at the time of the assumption. An issue is treated as meeting the loan eligibility requirements of Section 143 if (1) the issuer in good faith attempted to meet all of the requirements before the loans were executed; (2) 95% or more of the proceeds of the issue used to finance loans were devoted to residences which met all such requirements at the time the loans were executed or assumed; and (3) any failure to comply with the loan eligibility requirements is corrected within a reasonable period after such failure is first discovered.

The Code also imposes additional requirements to maintain the exclusion from gross income for federal income tax purposes of interest on the Series Bonds. For example, the Code limits the amount of the costs of issuance which may be paid from the proceeds of the Series Bonds and limits the size of reserve funds established with the proceeds of the Series Bonds. In addition, the Code imposes, on a continuing basis, limitations on investment of the proceeds of the Series Bonds and requires earnings on non-mortgage investments in excess of the yield on the Series Bonds to be rebated to the United States.

The Agency has included provisions in the Resolutions, the Manual and other relevant documents, and has established procedures (including receipt of certain affidavits and warranties from Lenders, Mortgagors and others respecting the mortgage eligibility requirements) in order to ensure compliance with the requirements of the Code which must be met subsequent to the date of original issuance of the Series Bonds. The Agency has covenanted in the Resolutions to do all things necessary to assure that interest on the Series Bonds will be excludable from federal gross income and not to permit any proceeds of the Series Bonds to be used in a manner which violates any of the restrictions contained in applicable federal law. In the opinion of Bond Counsel, the Manual and the Agency’s covenants in the Resolutions establish procedures under which the requirements of applicable federal law can be met. Noncompliance with the requirements in the Manual and Resolutions may cause interest on the Series Bonds to become includable in the federal gross income of the owners thereof retroactive to the date of issue.

Assuming compliance with certain covenants in the Manual and Resolutions intended to assure compliance with the Code and with the procedures established by the Agency, in the opinion of Dorsey & Whitney LLP, Bond Counsel, under existing laws, regulations, rulings and decisions, interest on the Series Bonds is not includable in gross income of the owners thereof for federal income tax purposes.

The Code imposes an alternative minimum tax with respect to individuals and corporations on alternative minimum taxable income. *In the opinion of Bond Counsel, interest on the 2006 Series P Bonds and the 2006 Series R Bonds, but not the 2006 Series O Bonds or the 2006 Series Q Bonds, will be treated as a preference item for purposes of calculating the federal alternative minimum taxable income of individuals and corporations. Interest on the 2006 Series O Bonds and the 2006 Series Q Bonds will be included in adjusted current earnings for purposes of computing federal alternative minimum taxes imposed on corporations.*

In addition, in the opinion of Bond Counsel, interest on the Series Bonds is not includable in the taxable net income of individuals, trusts and estates for Minnesota income tax purposes. *Interest on the 2006 Series P Bonds and the 2006 Series R Bonds, but not the 2006 Series O Bonds or the 2006 Series Q Bonds, is includable in income for purposes of calculating the Minnesota alternative minimum tax applicable to individuals, trusts and estates.* Interest on the Series Bonds is includable in the income of financial institutions and corporations for purposes of the Minnesota franchise tax.

Section 86 of the Code and corresponding provisions of Minnesota law require recipients of certain social security and railroad retirement benefits to take interest on the Series Bonds into account in determining the taxability of such benefits. Passive investment income, including interest on the Series Bonds, may be subject to taxation under Section 1375 of the Code, and corresponding provisions of Minnesota law, for an S corporation that has accumulated earnings and profits at the close of the taxable year, if more than 25 percent of its gross receipts is passive investment income. Section 265 of the Code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the Series Bonds, and Minnesota law similarly denies a deduction for such interest in the case of individuals, estates and trusts. Indebtedness may be allocated to the Series Bonds for this purpose even though not directly traceable to the purchase of the Series Bonds. Federal and Minnesota laws also restrict the deductibility of other expenses allocable to the Series Bonds. In the case of a financial institution, no deduction is allowed under the Code for that portion of the holder’s interest expense which is allocable to interest on the Series Bonds within the meaning of Section 265(b) of the Code. In the case of an insurance company subject to the tax

imposed by Section 831 of the Code, the amount which otherwise would be taken into account as losses incurred under Section 832(b)(5) of the Code must be reduced by an amount equal to 15 percent of the interest on the Series Bonds that is received or accrued during the taxable year. Interest on the Series Bonds may be included in the income of a foreign corporation for purposes of the branch profits tax imposed by Section 884 of the Code, and is included in net investment income of foreign insurance companies under Section 842(b) of the Code.

The market value and marketability of the Series Bonds may be adversely affected by future changes in federal or Minnesota tax treatment of interest on the Series Bonds or by future reductions in income tax rates.

THE FOREGOING IS NOT INTENDED TO BE AN EXHAUSTIVE DISCUSSION OF COLLATERAL TAX CONSEQUENCES ARISING FROM OWNERSHIP OR DISPOSITION OF THE SERIES BONDS OR RECEIPT OF INTEREST ON THE SERIES BONDS. PROSPECTIVE PURCHASERS OR BONDHOLDERS SHOULD CONSULT THEIR TAX ADVISORS WITH RESPECT TO COLLATERAL TAX CONSEQUENCES AND APPLICABLE STATE AND LOCAL TAX RULES IN STATES OTHER THAN MINNESOTA.

Certain State Tax Legislation

Minnesota, like many other states, generally taxes interest on obligations of governmental issuers in other states. In 1995, Minnesota enacted a statement of intent, codified at Minn. Stat. § 289A.50, subd. 10, that interest on obligations of Minnesota governmental units and Indian tribes be included in the net income of individuals, estates and trusts for Minnesota income tax purposes, if a court determines that Minnesota's exemption of such interest and its taxation of interest on obligations of governmental issuers in other states unlawfully discriminates against interstate commerce. This provision applies to taxable years that begin during or after the calendar year in which any such court decision becomes final, irrespective of the date upon which the obligations were issued. In January 2006, the Kentucky Court of Appeals held, in *Davis v. Department of Revenue*, that the state's exemption of interest on its own bonds and those of its political subdivisions and its taxation of interest on the bonds of other states and their political subdivisions unlawfully discriminates against interstate commerce. The Kentucky Supreme Court declined to review this decision. Kentucky officials have stated that they plan to seek United States Supreme Court review of the *Davis* decision. In 1994, the Ohio Court of Appeals had reached the opposite conclusion on this legal issue, upholding a similar Ohio statute, in *Shaper v. Tracy*.

If the United States Supreme Court were to review and affirm the *Davis* decision, it is likely that Minnesota's tax treatment of state and local government bonds would also be held to be unconstitutional. A challenge of Minnesota's treatment of state and local government bonds is possible even in the absence of a decision by the United States Supreme Court. If Minnesota's treatment of state and local government bonds were held to unlawfully discriminate against interstate commerce, the court would have to decide upon a remedy for the tax years at issue in the case. Even if the remedy applied to those and other years preceding the decision were to exempt other states' bond interest rather than to tax Minnesota bond interest, application of the 1995 statute to subsequent years could cause interest on the Series Bonds to become taxable by Minnesota and the market value of the Series Bonds to decline.

LEGAL MATTERS

The validity of and the tax exemption of interest on the Series Bonds are subject to the opinion of Dorsey & Whitney LLP, Minneapolis, Minnesota, Bond Counsel. The respective opinions of Bond Counsel will be provided in substantially the forms set forth in Appendix C attached hereto. Certain legal matters will be passed upon for the Underwriters by their counsel, Kutak Rock LLP, Atlanta, Georgia.

FINANCIAL ADVISOR

The Agency has appointed Caine Mitter & Associates Incorporated to serve as financial advisor to the Agency on matters related to the issuance of the Series Bonds.

UNDERWRITERS

UBS Securities LLC and RBC Dain Rauscher Inc. (collectively, the "Underwriters") will purchase the Series Bonds. RBC Capital Markets is the name under which RBC Dain Rauscher Inc. will be performing underwriting services in connection with the Series Bonds. The Underwriters are to be paid a fee of \$226,187.01 with respect to the Series Bonds. The Underwriters may offer and sell such Series Bonds to certain dealers and certain dealer banks at prices lower than the public offering prices stated on the inside front cover hereof.

MISCELLANEOUS

This Offering Memorandum is submitted in connection with the offering of the Series Bonds and may not be reproduced or used, as a whole or in part, for any other purposes. Any statement made or incorporated in this Offering Memorandum involving matters of opinion or estimates, whether or not expressly so stated, are set forth as such and not as representations of fact. This Offering Memorandum is not to be construed as a contract or agreement between the Agency and the purchasers or holders of any of the Series Bonds.

The execution and delivery of this Offering Memorandum have been duly authorized by the Agency.

(b) The Trustee shall, within one (1) Business Day of obtaining actual knowledge of the occurrence of any of the Listed Events, other than items 8 and 9, inform the Agency Disclosure Representative of the occurrence of the event.

(c) Whenever the Agency obtains actual knowledge of the occurrence of a Listed Event, the Agency shall, as soon as practicable, take such steps as are necessary to determine if such event would constitute material information within the meaning of cases decided under the 1934 Act.

(d) If the Agency has determined that the occurrence of a Listed Event is material within the meaning of cases decided under the 1934 Act, the Agency Disclosure Representative shall promptly notify the Trustee in writing. Such notice shall inform the Trustee that the occurrence is being reported by the Agency or instruct the Trustee to report the occurrence pursuant to subsection (f).

(e) If in response to information received from the Trustee under subsection (b), the Agency determines that the Listed Event would not be material within the meaning of cases decided under the 1934 Act, the Agency Disclosure Representative shall so notify the Trustee in writing and instruct the Trustee not to report the occurrence pursuant to subsection (f).

(f) If the Trustee has been instructed by the Agency Disclosure Representative to report the occurrence of a Listed Event, the Trustee shall file a notice of such occurrence with each National Repository or the Municipal Securities Rulemaking Board and each State Repository.

(g) Notice of Listed Events described in subsections (a) (8) and (9) need not be given under this section any earlier than notice of the underlying event is given to Holders of affected Bonds pursuant to the Resolution. Nothing in this Disclosure Agreement supercedes the Trustee duties under the Resolution with respect to notices of redemption or notices in connection with defeasance of Bonds.

Management Discussion of Items Disclosed in Annual Reports or as Significant Events. If an item required to be disclosed in the Agency's Annual Report, or as a Listed Event, would be misleading without discussion, the Agency shall additionally provide a statement clarifying the disclosure in order that the statement made will not be misleading in the context in which it is made.

Termination of Reporting Obligation. The Agency's obligations under this Disclosure Agreement shall terminate upon the defeasance, prior redemption or payment in full of all of the Series Bonds in accordance with the Resolution.

Substitution of Obligated Person. The Agency shall not transfer its obligations under the Resolution unless the transferee agrees to assume all the obligations of the Agency under this Disclosure Agreement.

Amendment; Waiver. Notwithstanding any other provision of this Disclosure Agreement, the Agency and the Trustee may amend this Disclosure Agreement (and the Trustee shall agree to any amendment so requested by the Agency), and any provision of this Disclosure Agreement may be waived, if such amendment or waiver is supported by an opinion of counsel experienced in federal securities laws, acceptable to each of the Agency and the Trustee, to the effect that such amendment or waiver would not, in and of itself, cause the undertakings herein to violate the Rule taking into account any subsequent change in or official interpretation of the Rule.

Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the Agency from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Agency Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Agency chooses to include any information in any Agency Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the Agency shall have no obligation under this Disclosure Agreement to update such information or include it in any future Agency Annual Report or notice of occurrence of a Listed Event.

Default.

(a) In the event of a failure of the Agency to provide to the Repositories the Agency Annual Report as undertaken by the Agency in this Disclosure Agreement, the Beneficial Owner of any Bonds may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the Agency to comply with its obligations to provide Annual Reports under this Disclosure Agreement.

(b) Notwithstanding the foregoing, no Beneficial Owner shall have the right to challenge the content or adequacy of the information provided pursuant to this Disclosure Agreement by mandamus, specific performance or other equitable proceedings unless Beneficial Owners of Bonds representing at least 25% aggregate principal amount of outstanding Bonds shall join in such proceedings.

(c) A default under this Disclosure Agreement shall not be deemed an Event of Default under the Resolution, and the sole remedy under this Disclosure Agreement in the event of any failure of the Agency to comply with this Disclosure Agreement shall be an action to compel performance.

Alternative Filing Systems. To the extent Agency filings or notices are required to be made to any Repository under the Disclosure Agreement, the Agency reserves the right to use www.DisclosureUSA.org currently maintained by the Municipal Advisory Council of Texas, or any similar system that is acceptable to the Securities and Exchange Commission.

BOOK-ENTRY-ONLY SYSTEM**Book-Entry-Only System**

The Depository Trust Company, New York, New York (“DTC”), is to act as securities depository for each series of the Series Bonds. The ownership of one fully registered Series Bond of each series for each maturity in the aggregate principal amount of such maturity, will be registered in the name of Cede & Co., DTC’s partnership nominee. *So long as Cede & Co. is the Registered Owner of a series of Series Bonds, as nominee of DTC, references herein to the Bondholders, Holders or Registered Owners of the Series Bonds of a series shall mean Cede & Co. and shall not mean the Beneficial Owners of such Series Bonds.*

DTC is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 2 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 85 countries that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of the National Securities Clearing Corporation, Government Securities Clearing Corporation, MBS Clearing Corporation and Emerging Markets Clearing Corporation (NSCC, GSCC, MBSCC and EMCC, also subsidiaries of DTCC), as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of beneficial ownership interests in the Series Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series Bonds on DTC’s records. The ownership interest of each actual purchaser of each Series Bond (the “Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series Bonds, except in the event that use of the Book-Entry System for the Series Bonds is discontinued as described below.

To facilitate subsequent transfers, all Series Bonds deposited by Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series Bonds with DTC and their registration in the name of Cede & Co. or such other nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Series Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers. For every transfer and exchange of beneficial ownership in the Series Bonds, the Beneficial Owner may be charged a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices will be sent to DTC. If less than all of the Series Bonds of a maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series Bonds of such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor such other DTC nominee) will consent or vote with respect to any Series Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Payment of the principal, redemption price and interest on the Series Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the issuer, the Trustee on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee or the Agency, subject to any statutory and regulatory requirements as may be in effect from time to time. Payment of principal, redemption price and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC), is the responsibility of the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

Under the Series Resolution, payments made by or on behalf of the Agency to DTC or its nominee shall satisfy the Agency's obligations under the Resolutions to the extent of the payments so made.

The above information contained in this section "Book-Entry-Only System" is based solely on information provided by DTC. No representation is made by the Agency or the Underwriters as to the completeness or the accuracy of such information or as to the absence of material adverse changes in such information subsequent to the date hereof.

The Agency, the Underwriters and the Trustee cannot and do not give any assurances that DTC, the Direct Participants or the Indirect Participants will distribute to the Beneficial Owners of the Series Bonds (i) payments of principal of or interest and premium, if any, on the Series Bonds, (ii) certificates representing an ownership interest or other confirmation of beneficial ownership interest in Series Bonds, or (iii) redemption or other notices sent to DTC or Cede & Co., its nominee, as the Registered Owner of the Series Bonds, or that they will do so on a timely basis, or that DTC, Direct Participants or Indirect Participants will serve and act in the manner described in this Official Statement. The current "Rules" applicable to DTC are on file with the Securities Exchange Commission, and the current "Procedures" of DTC to be followed in dealing with Direct Participants are on file with DTC.

Neither the Agency, the Underwriters nor the Trustee will have any responsibility or obligation to any Direct Participant, Indirect Participant or any Beneficial Owner or any other person with respect to: (1) the Series Bonds; (2) the accuracy of any records maintained by DTC or any Direct Participant or Indirect Participant; (3) the payment by DTC or any Direct Participant or Indirect Participant of any amount due to any Beneficial Owner in respect of the principal or redemption price of or interest on the Series Bonds; (4) the delivery by DTC or any Direct Participant or Indirect Participant of any notice to any Beneficial Owner which is required or permitted under the terms of the Resolutions to be given to owners of Series Bonds; (5) the selection of the Beneficial Owners to receive payment in the event of any partial redemption of the Series Bonds; or (6) any consent given or other action taken by DTC as a Bondholder.

Discontinuation of Book-Entry-Only System

DTC may discontinue its book-entry services with respect to all or any series of the Series Bonds at any time by giving notice to the Agency and discharging its responsibilities with respect thereto under applicable law. Under such circumstances, the Series Bonds of such series are required to be delivered as described in the applicable Series Resolution. The Beneficial Owner, upon registration of such Series Bonds held in the Beneficial Owner's name, shall become the Bondowner.

The Agency may determine to discontinue the system of book-entry transfers through DTC (or a successor securities depository) for all or any series of the Series Bonds. In such event, such Series Bonds are to be delivered as described in the applicable Series Resolution.

OPINIONS OF BOND COUNSEL

[To be dated the date of issuance of the 2006 Series O Bonds]

Minnesota Housing Finance Agency

Re: Minnesota Housing Finance Agency
Residential Housing Finance Bonds, 2006 Series O

Ladies and Gentlemen:

We have acted as bond counsel to the Minnesota Housing Finance Agency (the "Agency") in connection with the authorization, issuance and delivery by the Agency of its Residential Housing Finance Bonds, 2006 Series O, in the aggregate principal amount of \$26,140,000 (the "2006 Series O Bonds"), which are issuable only as fully registered bonds of single maturities in denominations of \$5,000 or any integral multiple thereof.

The 2006 Series O Bonds are dated, mature on the dates, bear interest at the rates and are payable as set forth in the Series Resolution referenced below. The 2006 Series O Bonds are subject to optional and special redemption prior to maturity, including special redemption at par, and to mandatory tender for purchase at par, as provided in the Series Resolution.

As bond counsel, we have examined certificates as to facts, estimates and circumstances and certified copies of resolutions and proceedings of the Agency and other documents considered necessary as the basis for this opinion, including the Agency's Amended and Restated Bond Resolution adopted August 24, 1995, as amended and supplemented, and the Series Resolution adopted October 26, 2006. As to questions of fact material to our opinion, we have relied upon the certified proceedings and other certifications of public officials furnished to us without undertaking to verify the same by independent investigation.

Applicable federal tax law, including certain provisions of Sections 143 and 148 of the Internal Revenue Code of 1986, as amended (the "Code"), establishes certain requirements which must be met subsequent to the delivery of the 2006 Series O Bonds in order that interest on the 2006 Series O Bonds may be excluded from gross income for federal income tax purposes. The Agency has covenanted in the Bond Resolution and Series Resolution to comply with the requirements of applicable federal tax law and for such purpose to adopt and maintain appropriate procedures. In rendering this opinion, we have assumed compliance by the Agency with and enforcement by the Agency of the provisions of the Bond and Series Resolution.

From such examination it is our opinion that, under state and federal laws, regulations, rulings and decisions in effect on the date hereof: (1) the Agency is a public body corporate and politic, having no taxing power, duly organized and existing under Minnesota Statutes, Chapter 462A, as amended; (2) the Bond and Series Resolution have been duly and validly adopted by the Agency and are valid and binding upon it in accordance with their terms, and create the valid pledge and security interest they purport to create with respect to the Program Obligations, Investment Obligations, Revenues, moneys and other assets held and to be set aside under the Bond and Series Resolution; (3) the 2006 Series O Bonds are duly and lawfully authorized to be issued and are valid and binding general obligations of the Agency in accordance with their terms, entitled to the benefits granted by and secured by the covenants contained in the Bond and Series Resolution, and are further secured by the pledge of the full faith and credit of the Agency, and are payable out of any of its moneys, assets or revenues, subject to the provisions of other resolutions or indentures now or hereafter pledging and appropriating particular moneys, assets, or revenues to other bonds or notes, or state laws appropriating particular funds for a specified purpose, but the State of Minnesota is not liable thereon and the 2006 Series O Bonds are not a debt of the State; (4) in the Bond Resolution the Agency has created a Debt Service Reserve Fund for the security of the 2006 Series O Bonds and other bonds issued or to be issued under the Bond Resolution, to be maintained in an amount specified therein, and has agreed to certify annually to the Governor the sum, if any, necessary to restore the Fund to this amount for inclusion in the next budget submitted to the Legislature, and the Legislature is legally authorized, but is not legally obligated, to appropriate such amount to the Fund; and (5) the interest payable on the 2006 Series O Bonds is not

Minnesota Housing Finance Agency
Page 2

includable in gross income of owners thereof for federal income tax purposes or in taxable net income of individuals, trusts and estates for State of Minnesota income tax purposes, but such interest is includable in the income of corporations and financial institutions for purposes of the Minnesota franchise tax.

Interest on the 2006 Series O Bonds will not be treated as a preference item in calculating the alternative minimum tax imposed under the Code with respect to individuals and corporations, and in calculating the Minnesota alternative minimum tax imposed on individuals, trusts and estates but will be included in the calculation of adjusted current earnings for purposes of calculating federal and State of Minnesota alternative minimum taxes imposed on corporations. We express no opinion regarding other federal or state tax consequences arising from the ownership or disposition of the 2006 Series O Bonds. All owners of 2006 Series O Bonds (including, but not limited to, insurance companies, financial institutions, Subchapter S corporations, United States branches of foreign corporations and recipients of social security and railroad retirement benefits) should consult their tax advisors concerning other possible indirect tax consequences of owning and disposing of the 2006 Series O Bonds.

The opinions expressed above are qualified only to the extent that the enforceability of the 2006 Series O Bonds and the Bond and Series Resolution may be limited by general principles of equity and by bankruptcy, insolvency, reorganization, moratorium or other laws relating to or affecting enforcement of creditor's rights heretofore or hereafter enacted.

Residential Housing Finance Bonds, 2006 Series R

Ladies and Gentlemen:

We have acted as bond counsel to the Minnesota Housing Finance Agency (the “Agency”) in connection with the authorization, issuance and delivery by the Agency of its Residential Housing Finance Bonds, 2006 Series R, in the aggregate principal amount of \$57,770,000 (the “2006 Series R Bonds”), which are issuable only as fully registered bonds of single maturities in denominations of \$5,000 or any integral multiple thereof.
