To Whom It May concern:

Please find enclosed, the Resident Impact Statement form required by USDA Rural Development to officially notify your office that we intend to prepay our existing USDA Rural Development loan which, by extension, will also remove us from the federally assisted housing program. This process will begin with this notification and is scheduled, as allowed by law, to be completed by November 1, 2012.

Thank you for your consideration.

Sincerely,

Rosie Blowers, General Manager
