USER INSTRUCTIONS

**Step 6:** After filling in all information, click on **Select (Regular Upload)**.

You may also choose **Select files and folders to send (Enhanced Upload)**. *Note: The enhanced upload requires Java support to utilize. Contact your technical team for further assistance.*

**Step 7:** The next screen allows you to select the files you wish to upload. Click on the **Browse** button and navigate to your file location. Use another line in the Secure Upload form to browse to another file if desired.

Scroll down to the bottom of the screen. When ready, click the **Upload and Send** button.

When the files have been successfully uploaded, the following message will be displayed:
