

2022 – 2023 QAP – Continuum of Care (CoC) Priorities

The 2023 CoC priorities will be posted on Minnesota Housing’s website in spring 2021. These priorities were determined and approved by each CoC-CoC governing body. The CoC-CoC is required to invite broad community input, including tribal representatives if the CoC-CoC region includes tribal land, and must broadly advertise the meeting to vote on the priority. The CoC-CoC must use the most recent, reliable local data and needs assessment to determine the priority. Recommended methodology is to use the local Point in Time Data-data (PIT), Housing Inventory Chart (HIC), and coordinated entry waitlist data. Local housing studies may also be used. The Minnesota Interagency Council on Homelessness implementation team verifies that the prioritization process is valid.
