

2018 QAP – Rural/Tribal Designated Areas

Because communities in rural parts of Minnesota are not eligible for economic integration or school performance priority points, the selection process has a 10 point criterion for rural communities in order to maintain balance in the allocation plan.

Minnesota Housing defines rural communities as Census tracts outside of the Twin Cities 7 County Metropolitan Area and Census tracts largely outside Greater Minnesota cities with a population over 50,000. These cities include tracts in, Duluth, Rochester, and St Cloud.

The map below shows areas receiving the rural/tribal designation points in orange. The following pages list the tracts eligible by county.
