- 

# Community Impact

- Reduces poverty
- Improves outcomes for children (education, mental health, physical health, safety and development)
- Improves adult well being and reduced health costs
- Reduces costs for property owners who are also part of the community
- The participants in the programs are your neighbors they are community members and could be a fellow co-worker, your children's friend's parent, a volunteer at church, the cashier at the gas station or anyone else.
- [Research Shows Rental Assistance Reduces Hardship and Provides Platform to Expand Opportunity for Low-Income Families | Center on Budget and Policy Priorities \(cbpp.org\)](#)
