TOP PRODUCER PROGRAM

It takes the time and commitment to help someone buy a home. So each year, the Top Producer Program highlights our participating network loan officers who close the most Minnesota Housing loans.

How will I get recognized?

Top Producers are announced during the first quarter of each year. Recipients receive a Certificate of Recognition and are eligible for featured marketing opportunities that may include:

- Branded marketing and promotional templates
- A news release framework
- E-logo
- Social media Shout-out campaign

Individual listings on our “Find A Lender” directory webpage will display an icon highlighting the achievement and provide consumers a sorting option.

How do I participate?

Selection is determined by the number of Minnesota Housing loans closed by year-end. The number of loans needed to be selected can vary from year to year based on eligible loan officers and property locations.

Loan officers who close a minimum of two loans per calendar year, with the True and Certify process entered and completed in the commitment system are eligible for consideration. To make sure you get credit for your loans, confirm you are set up as a Loan Officer in the Minnesota Housing commitment system by your Web Administrator and make sure your name is correctly listed in the “Loan Officer” field.

The Minnesota Housing Top Producer Program recognizes individual loan officers based solely on the number of Minnesota Housing first-time homebuyer loans produced in one of the designated regions for the program on an annual basis. Designations are not intended as a formal referral or preference for individual loan officers and no financial or other measurable benefit is intended to be granted to loan officers on a preferential basis.
