Tenants of Highland Apartments
City of Mapleton
MHFA

To Everyone,

This is a notice to the tenants of Highland Apartments, the City of Mapleton and Minnesota Housing Finance that the owner of Highland Apartments will now begin the process of prepaying the Federal Mortgage. Once the federal loan is paid off the current federal use restrictions will terminate. This may result in some tenants losing their current type of rental assistance. However the owner is working with the mortgage agency to replace those subsidy monies with vouchers distributed to each of the tenants with rental assistance. The tenants will be kept updated as this process continues. Any action of paying off the mortgage will be at least one year from now.
