In connection with Single Family Division loan programs, Minnesota Housing does not make or arrange loans. It is neither an originator nor creditor and is not affiliated with any Lender. The terms of any mortgage finance transactions conducted in connection with these programs, including important information such as loan fees, the annual percentage rate (APR), repayment conditions, disclosures, and any other materials which are required to be provided to the consumer are the responsibility of the Lender. ♦ This project was made possible by a grant from the U.S. Department of Energy and the Minnesota Department of Commerce through the Infrastructure Investment and Jobs Act of 2021 (IIJA).
