

2003
HOUSING TAX CREDIT / MULTIFAMILY RFP
SELECTION POINTS FOR PROJECT LOCATION

This table identifies counties with the highest need for housing due to both Job and Population Growth. In addition, MHFA will also review the Market Qualification Information Form (Form C5) and conduct an independent review of the housing market to assess the need for the housing proposed.

Top 10 Counties in either Job Growth or Household Growth from 1990 to 2000, based on US Census and MN Department of Economic Security data.
