*RELEVANT TO THE DISABILITY BEING VERIFIED

The household member named above has requested management's permission to keep an **assistive/companion animal** at the property. The lease prohibits households from keeping animals of any kind at the property. However, if an individual with disabilities requests permission to keep an animal at the property, their request must be considered by management. Additionally, management must verify that the individual qualifies as "disabled" under federal law and requires the animal in order to have an equal opportunity to use and enjoy the property.

Please review the definitions below and indicate whether or not the applicant is handicapped or disabled as defined in Section 223 of the Social Security Act, or Section 102 (b)(5) of the Developmental Disabilities Services and Facilities Construction Amendment of 1970, or as defined in 24 CFR Section 812.2(c) or Section 504 of the Rehabilitation Act of 1973.

- C. A disability attributable to developmental disability, cerebral palsy, epilepsy, or another neurological condition of an individual found by the Secretary (of Health, Education, and Welfare) to be closely related to developmental disability or to require treatment similar to that required for developmentally disabled individuals, which disability originates before such individual attains age twenty-two, which has continued or can be expected to continue indefinitely, and which constitutes a substantial handicap to such individual. **Yes** ☐ **No** ☐
- D. A handicapped person as defined in 24 CFR Section 812.2(c): a person having a physical or mental impairment which (1) is expected to be of long-continued and indefinite duration, (2) substantially impedes his/her ability to live independently, **and** (3) is of such nature that such a disability could be improved by more suitable housing conditions. **Yes** ☐ **No** ☐
- E. An individual with handicaps as defined in Section 504 of the Rehabilitation Act of 1973 who has a physical or mental impairment that substantially limits one or more major life activities; has a record of such impairment; or is regarded as having such impairment. **Yes** ☐ **No** ☐

The term physical or mental impairment includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech, and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, Human Immunodeficiency Virus Infection, mental retardation, emotional illness, drug addiction and alcoholism. This definition doesn't include any individual who is a drug addict and is currently using illegal drugs or an alcoholic who poses a direct threat to property or safety because of alcohol use.

In your licensed professional opinion, does the household member need to keep an **assistive/companion animal** at the property in order to have the same opportunity that a nondisabled/handicapped individual has to use and enjoy the property? **Yes** ☐ **No** ☐
