Chapter 1 – Introduction

1.01 Background

The Minnesota Legislature created Minnesota Housing, the state’s housing finance agency, in 1971. We finance housing that low and moderate-income Minnesotans can afford while helping Minnesotans buy and fix up their homes

The Minnesota Housing Finance Agency (“Minnesota Housing”) was created in 1971 by the Minnesota Legislature.

Minnesota Housing created the Rehabilitation Loan Program (the “Program”) to complement loan programs available in the private sector by filling the financial gap that exists between low-income homeowners able to secure home improvement financing in the private sector and those homeowners unable to do so.

1.02 Mission Statement

Housing is foundational to a full life and a thriving state, so we equitably collaborate with individuals, communities and partners to create, preserve and finance housing that is affordable.

1.03 Values Statement

All Minnesotans live and thrive in a stable, safe and accessible home they can afford in a community of their choice. To achieve the concept of One Minnesota where everyone thrives, we will reorient how we work and expand who has a voice at the table and who participates in and benefits from the housing economy.

We will:

- Center the people and places most impacted by housing instability at the heart of our decision making,
- Listen and share the power we have,
- Honor, respect and strengthen communities, and
- Be inclusive, equitable, just and antiracist in our actions.

1.04 Procedural Manual

This Procedural Manual sets forth for the Lenders the terms and conditions under which Minnesota Housing will purchase mortgage loans originated under the Program.

1.05 Rehabilitation Loan Program

Deferred, zero percent interest rate Program loans are available to low-income Minnesota homeowners through participating Lenders. Loans must be for improvements that directly affect the safety, habitability, livability, or energy efficiency of the home, or for the replacement of Manufactured Homes.

- Safety: Rehabilitation improvements which address conditions in the home that can cause danger or risk of injury.
- Habitability & Livability: Rehabilitation improvements which address basic needs and are of average/median grade or quality.
- Energy Efficiency: Rehabilitation improvements which reduce overall energy use while providing the same or a higher level of performance, comfort and convenience.

Existing residential housing is inspected using Minnesota Housing's Single Family Rehabilitation Standard ("Rehabilitation Standard" see [Forms Guide and Glossary](#)). Deficiencies cited in any property inspection under the Rehabilitation Standard must be prioritized and addressed as funding allows. Homeowners requiring assistance of an emergency nature will be referred to the Minnesota Housing Emergency and Accessibility Loan Program.

Chapter 2 – Partner Responsibilities and Warranties

2.01 Procedural Manual

This Procedural Manual, including subsequent changes and additions, is a supplement to the Rehabilitation Loan Program Participation Agreement (the “Participation Agreement”) executed between the Lender and Minnesota Housing. Minnesota Housing reserves the right to:

- Change the Program interest rate at any time under its sole discretion;
- Alter or waive any of the requirements;
- Impose other and additional requirements; and
- Rescind or amend any or all materials effective as of the date of issue unless otherwise stated.

Minnesota Housing is under no obligation to purchase any loan or retain ownership of a loan that does not comply fully with this Procedural Manual. Minnesota Housing may grant waivers, alterations or revisions at its sole discretion.

2.02 Compliance with Privacy Act Statutes

The Minnesota Government Data Practices Act:

- Requires the Lender to supply Borrower(s) with the Tennesen Warning and the Privacy Act Notice when requesting private data; and
- Governs when the disclosure of the Borrower’s Social Security Number is required.

The Minnesota Revenue Recapture Act of 1980 (Minnesota Statutes Sections 270A.01 to 270A.12) allows the disclosure of the Borrower’s Social Security Number or Minnesota Tax Identification Number to the Minnesota Department of Revenue. This could result in the application of funds held by the State, including but not limited to tax refunds to the payment of any delinquent indebtedness of the Borrower to Minnesota Housing.

2.03 Unauthorized Compensation

The Lender may receive fees approved in this Procedural Manual. However, the Lender shall not receive or demand from builder, remodeler, contractor, supplier, or Borrower:

- Kickbacks;
- Commissions;
- Rebates; or
- Other compensation.

In order to reduce the total rehabilitation cost associated with an eligible property, the Lender may receive discounts from third parties involved in the project improvements. In these cases, the Lender

must document in the Borrower file that the discounts received are considered typical for the market area and do not constitute a kickback, commission, rebate or compensation for products or services rendered. Any discounts that exceed what is typical must be documented as a charitable contribution by the representative of the seller, builder, remodeler, contractor or supplier providing the discount.

2.04 Minnesota Housing Due Diligence Audit Guidelines and Requirements

The Lender is required to keep on file a complete copy of documents for each loan originated for purchase by Minnesota Housing. Minnesota Housing will perform a quality control audit of loan files purchased from the Lender and will notify the Lender if a loan is selected for audit. Upon request, the Lender must submit a complete loan package with all documentation that was used to originate and close the loan. Loan audits will include, but are not limited to, a minimum of 10% of all loans purchased.

Audited loans are reviewed for:

- Minnesota Housing Program/policy compliance;
- Compliance with federal and state consumer lending regulations;
- Fraud or misrepresentation on the part of any party involved in the transaction; and
- Trends and/or other indicators that may have an impact on the financial viability of the Program in part or in whole.

2.05 Termination of a Lender's Participation

Minnesota Housing may terminate the participation of any Lender under this Procedural Manual at any time and may preclude the Lender's future eligibility for reasons including, but not limited to, nonconformance with:

- This Procedural Manual;
- The Participation Agreement;
- The Federal Fair Housing Law and/or the Equal Credit Opportunity Act;
- Any federal or state laws or acts that protect the Borrower's rights with regard to obtaining financing for home improvements; and
- Other applicable state and federal laws, rules, and regulations.

Upon termination of the Lender's Participation Agreement, Minnesota Housing will continue to purchase eligible loans for which a Commitment has already been issued, until the Commitment expiration date.

Minnesota Housing may, at its option, impose remedies other than termination of the Participation Agreement for the Lender's nonperformance.

The Lender may request reinstatement into Minnesota Housing programs. The decision whether - to reinstate the Lender shall be at Minnesota Housing's sole discretion.

2.06 Representations and Warranties

The Lender agrees to comply with all applicable federal, state, and local laws, ordinances, regulations and orders including, but not limited to, the following (and any applicable rules, regulations, or laws thereunder):

- Title VI of the Civil Rights Act of 1964;

- Minnesota Human Rights Act (Minnesota Statutes Chapter 363A);
- Data Privacy - Minnesota Statutes Chapter 13;
- Minnesota S.A.F.E. Mortgage Licensing Act of 2010 – Minnesota Statutes Chapters 58 and 58A;
- Americans with Disabilities Act, 42 U.S.C.A. Section 12101;

- Bank Secrecy Act;
- Anti-Money Laundering and Office of Foreign Assets Control Policy;
- Internal Revenue Code of 1986, Section 6050H; and

In addition to the above warranties and representations, the Lender also warrants and represents that:

- The Lender is the sole owner and holder of the Program loan with the right to assign it to Minnesota Housing;
- The Lender has assigned the loan free and clear of all encumbrances;

- The Lender has neither received nor solicited any fee or remuneration not approved by this Procedural Manual;
- After reasonable inspection, the Lender has no knowledge that any improvement funded by the loan is in violation of applicable zoning ordinances, building ordinances, laws or regulations; and

The Lender agrees that the person who accesses the loan commitment system on behalf of the Lender is fully conversant with Minnesota Housing Program requirements, and has the authority to legally bind the Lender. When a Lender completes the True and Certify process in the loan commitment system, the Lender certifies that it has complied with all terms, conditions and requirements of the Participation Agreement and this Procedural Manual unless those terms, conditions and requirements have been specifically waived in writing by Minnesota Housing.

2.07 Lender Compensation

The Lender is compensated for each loan purchased by Minnesota Housing at a rate of \$2,500, plus 5% of the loan amount per loan.

2.08 Selection of Contractors

The Lender may not choose the contractor. Borrower(s) are responsible for the selection of any contractor who will be involved in completing rehabilitation improvements on the property.

The Borrower(s) must execute the Borrower Attestation within 10 days of the loan closing date attesting that there has not been a substantial change to the gross annual household income as stated on the loan application. If the Lender closes the loan 12 months or later after Borrower application, the Lender must reverify the gross annual household income and the Borrower(s) must submit updated documentation of the gross annual household income.

The Borrower(s) must execute the Borrower Attestation within 10 days of the loan closing date attesting that there has not been a substantial change to the Borrower's assets. If the Lender closes the loan 12 months or later after Borrower application, the Lender must reverify the Borrower's assets and the Borrower must submit updated documentation of the Borrower's assets.

Property improvements must conform to all applicable zoning ordinances and all necessary permits must be obtained.

Chapter 5 – Loan and Rehabilitation Eligibility

5.03 Loan Amounts

Minimum loan amount is \$1,000.

or
 - Taxed as personal property with an approved tribal residential lease located on tribal lands is 10 years.

5.05 Loan Security

Any mortgage for a property taxed as real estate must be recorded within 30 days after the closing date. The Lender must not wait to record the mortgage until after the rehabilitation is completed to accommodate changes in the loan amount.

All interests in the Note and Mortgage must be assigned to Minnesota Housing when the loan is purchased and funded by Minnesota Housing.

Loans for a Manufactured Home taxed as personal property must be secured with a lien against the title to the Manufactured Home.

In the event there are changes in the loan amount, the Lender must follow the change order requirements in Section 5.08.

5.06 Title Requirements

5.07 Rehabilitation Requirements

Each rehabilitation improvement must be a permanent general improvement made in compliance with all applicable state, county and municipal or tribal government health, housing, building, fire prevention and housing maintenance codes or other public standards.

Prior to rehabilitation, properties must be inspected to the Rehabilitation Standard ([Forms Guide and Glossary](#)) to determine any deficiencies.

Rehabilitation must comply with the [Lead-Based Paint Guide for Applicable Single Family Programs](#).

All rehabilitation improvements must be prioritized in a written scope of work and must correlate to the deficiencies identified during the Rehabilitation Standard ([Forms Guide and Glossary](#)) inspection and includes all applicable lead-based paint hazard reduction activities.

At least two bids from Minnesota-licensed building contractors must be solicited based on the written scope of work. Bids from Tribal government approved contractors are allowed if the property is located on tribal lands. In general, the lowest, reasonable bid should be selected. If the lowest, reasonable bid is not selected, the Lender and Borrower must document written justification for not selecting the lowest, reasonable bid.

All rehabilitation improvements must be completed by contractors licensed in the State of Minnesota or Tribal government approved contractors except a homeowner need not be licensed when homeowner labor is involved.

A written construction contract must be executed between the contractor and the Borrower.

All rehabilitation improvements must comply with the [Green Communities Scope of Work Addendum](#).

Rehabilitation improvements to Manufactured Homes must comply with Minnesota State Building Code (Minnesota Rules Part 1350.3800) which addresses the distinction between a Construction Alteration and a Repair and the different licensing requirements attendant to each improvement.

After completion of rehabilitation, eligible properties must:

- The funds received may not necessarily bring the home up to code or address all deficiencies.
- Any rehabilitation must meet the description of the work provided by the inspector on the Rehabilitation Standard.
- Meet the lead-based paint requirements in the [Lead-Based Paint Guide for Applicable Single Family Programs](#), if applicable.

5.08 Change Orders

After the loan has closed changes in the scope of work are not allowed unless unanticipated deficiencies are found during the rehabilitation which will cause further damage to the home if not addressed. Any changes to the scope of work, including the reason for the change, must be documented in the file.

In the event that a change order occurs, post-closing modification requirements must be met as referenced in Section 7.02 of this Procedural Manual.

5.09 Sworn Construction Statement and Lien Waivers

General contractors are required to execute a sworn construction statement.

The Lenders must obtain lien waivers for all work performed and all materials supplied by:

- General contractors;
- Subcontractors; and
- Materials suppliers

Upon completion of rehabilitation, the Lender and the Borrower must execute the Completion Certificate provided by Minnesota Housing. Rehabilitation must be completed within 12 months of loan closing unless Minnesota Housing issues a written extension.

5.11 Homeowner Labor

Homeowner labor is permitted provided the Lender is satisfied the Borrower is capable of and willing to perform the labor.

The Borrower must execute a [Work Program Agreement](#). The materials list must include evidence of the actual cost of the materials required to complete the necessary improvements.

The Lender must perform at least one interim inspection in addition to the initial and final inspections otherwise required.

The Borrower may not be paid or be reimbursed for the cost of labor performed by the Borrower or other household residents.

Minnesota Housing shall have the right to take one or more of the following actions in the event the Lender submits a loan that does not, as determined by Minnesota Housing, comply with the requirements of this Procedural Manual:

- Adjust the purchase price of the non-complying loan;

Upon written notice of repurchase by Minnesota Housing, the Lender has ten business days to submit payment to Minnesota Housing for the unpaid principal balance, submit payment for fees paid to the Lender in the sale of the loan, and submit payment for reasonable expenses incurred by Minnesota Housing, including attorney fees. Failure to comply with this requirement may result in the termination, suspension, further legal action or otherwise limit the Lender's Participation Agreement with Minnesota Housing.

Chapter 6 – Commitment and Disbursement

6.01 Program Funds

Minnesota Housing funds a variety of programs and initiatives and reserves the right to establish limits for any program or initiative during any business day such as:

- A maximum dollar amount the Lender may commit; or
- A maximum number of individual Commitments the Lender may commit.

The Lender commits funds on a first-come, first-served basis.

Individual Commitments are to be considered as “forward Commitments” by the Lender. It is expected that the loan will be closed within the commitment period and delivered to Minnesota Housing for purchase.

6.02 Loan Commitments

To obtain a Commitment to reserve funds under the Program the Lender must:

- Reserve the loan using the loan commitment system.
- Commitments are valid for 120 days. All Commitments will be automatically cancelled at day 121. Extensions are approved at Minnesota Housing’s sole discretion.
- Loans must meet eligibility requirements and gain a status of Purchase Approval via the loan commitment system no later than the last day a Commitment is valid.

6.03 Modifying a Commitment

- Changes to a loan must be updated in the loan commitment system and will be evaluated for compliance with Program eligibility requirements.
- Any qualifying Commitment change will not alter the Commitment period originally established.
- Changes to Commitments involving the Borrower and/or the property address are not permitted.
- An increase in the loan amount will be allowed only if funds are available to accommodate the change.

6.04 Canceling a Commitment

Minnesota Housing requires the Lender to cancel any Commitment of funds that will not be used for the specified loan.

6.05 Minnesota Housing Disbursement of Funds

Minnesota Housing will purchase loans that, by the daily cutoff time, have been Purchase Approved in the loan commitment system. One hundred percent of the loan amount plus the

Lender fee will be disbursed two business days after the loan has been purchased by Minnesota Housing.

The Lender Certificate with details of each purchase transaction will be available to the Lender via the loan commitment system after the loan has been purchased by Minnesota Housing.

6.06 Loan Purchase Corrections

If it is determined that an adjustment to the purchase price of any purchased loan is necessary, the Lender will be invoiced for any funds to be returned or Minnesota Housing will disburse the necessary funds to the Lender.

Chapter 7 – Documentation Requirements

7.03 Minnesota Housing Documentation and Delivery Requirements

Minnesota Housing provides the [Loan Transmittal Form](#) detailing specific documentation/delivery requirements.

The Lender must fully execute and deliver documents within designated timeframes as outlined on the Loan Transmittal form. In addition, the Lender must specifically warrant that all applicable documentation has been obtained and reviewed to determine compliance with all Minnesota Housing requirements.

Documentation not delivered to Minnesota Housing/servicer within the specified time frames, may result, at Minnesota Housing's discretion, in the Lender being required to repurchase the loan, or any such remedy as identified in this Procedural Manual or allowed by law. Minnesota Housing may also, at its discretion, extend the timeframes.

7.04 Documentation and Data Requirements

The Lenders participating in the Program are required to track all applicants and maintain sufficient documentation to show compliance with federal Fair Housing laws. The following data must be gathered for each transaction:

- Application date;
- Applicant's full name;
- Single head of household information; and
- Reason the loan commitment is canceled, if applicable.

To better understand and address the disparity gap, the agency is required to collect, on a voluntary basis, demographic information regarding race, color, national origin, and sex of applicants for Agency programs intended to benefit homeowners and homebuyers.

All forms listed in the [Loan File Requirements Checklist](#) should be fully executed, as applicable, and maintained in the loan file by the Lender. Forms may be found on the [Forms Guide and Glossary](#).

7.05 Records Retention

The Lender must retain all loan documents in compliance with federal regulatory guidelines. The Lender is required to make loan records available for inspection by Minnesota Housing for a period of six years after the loan is sold to Minnesota Housing. Chapter 8 – Servicing

8.02 Delivery of Loans to Servicer

The Lender must forward the loan package according to the requirements outlined in the [Loan Transmittal](#) form to the servicer by mail within five calendar days of Minnesota Housing's purchase of the loan. In the event of any conflict between the terms of this Addendum and the document to which it is attached, the terms of this Addendum will govern and control.

B.02 Fraud

Fraud is any intentionally deceptive action, statement or omission made for personal gain or to damage another.

Any person or entity (including its employees and affiliates) that enters into a contract with Minnesota Housing and witnesses, discovers evidence of, receives a report from another source or has other reasonable basis to suspect that fraud or embezzlement has occurred must immediately make a report through one of the communication channels described in section B.07.

B.03 Misuse of Funds

A contracting party that receives funding from Minnesota Housing promises to use the funds to engage in certain activities or procure certain goods or services while Minnesota Housing agrees to provide funds to the recipient to pay for those activities, goods or services. Regardless of the Minnesota Housing program or funding source, the recipient must use Minnesota Housing funds as agreed, and the recipient must maintain appropriate documentation to prove that funds were used for the intended purpose(s).

A misuse of funds shall be deemed to have occurred when: (1) Minnesota Housing funds are not used as agreed by a recipient; or (2) a recipient cannot provide adequate documentation to establish that Minnesota Housing funds were used in accordance with the terms and conditions of the contract.

Any recipient (including its employees and affiliates) of Minnesota Housing funds that discovers evidence, receives a report from another source or has other reasonable basis to suspect that a misuse of funds has occurred must immediately make a report through one of the communication channels described in section B.07.

B.04 Conflict of Interest

A conflict of interest – Actual, Potential or Appearance of a Conflict of Interest – occurs when a person has an actual or apparent duty or loyalty to more than one organization and the competing duties or

loyalties may result in actions which are adverse to one or both parties. A Potential Conflict of Interest or Appearance of a Conflict of Interest exists even if no unethical, improper or illegal act results from it.

- **Actual Conflict of Interest:** An Actual Conflict of Interest occurs when a person's decision or action would compromise a duty to a party without taking immediate appropriate action to eliminate the conflict.
- **Potential Conflict of Interest:** A Potential Conflict of Interest may exist if a person has a relationship, affiliation or other interest that could create an inappropriate influence if the person is called on to make a decision or recommendation that would affect one or more of those relationships, affiliations or interests.
- **Appearance of a Conflict of Interest:** The Appearance of a Conflict of Interest means any situation that would cause a reasonable person, with knowledge of the relevant facts, to question whether another person's personal interest, affiliation or relationship inappropriately influenced that person's action, even though there may be no Actual Conflict of Interest.

A conflict of interest includes any situation in which one's judgment, actions or non-action could be interpreted to be influenced by something that would benefit them directly or through indirect gain to a Partner, Family Member, Relative, Friend, Business or other Outside Interest with which they are involved. Such terms are defined below.

- **Business:** Any company, corporation, partnership, proprietorship, firm, enterprise, franchise, association, organization, self-employed individual or any other legal entity which engages either in nonprofit or profit-making activities.
- **Family Member:** A person's current and former spouse; children, parents, and siblings; current and former children-in-law, parents-in-law, and siblings-in-law; current and former stepchildren and stepparents; grandchildren and grandparents; and members of the person's household.
- **Friend:** A person with whom the individual has an ongoing personal social relationship. "Friend" does not generally include a person with whom the relationship is primarily professional or primarily based on the person being a current or former colleague. "Friend" does not include mere acquaintances (i.e., interactions are coincidental or relatively superficial). Social media friendships, connections, or links, by themselves, do not constitute friendship.
- **Outside Interest:** An Outside Interest may occur when an individual, their Family Member or their Partner has a connection to an organization via employment (current or prospective), has a financial interest or is an active participant.
- **Partner:** A person's romantic and domestic partners and outside Business partners.
- **Relative:** Uncle or aunt; first or second cousin; godparent; godchild; other person related by blood, marriage or legal action with whom the individual has a close personal relationship.

Once made aware of a conflict of interest, Minnesota Housing will make a determination before disbursing any further funds or processing an award. Determinations could include:

- Revising the contracting party’s responsibilities to mitigate the conflict
- Allowing the contracting party to create firewalls that mitigate the conflict
- Asking the contracting party to submit an organizational conflict of interest mitigation plan
- Terminating the contracting party’s participation

Any person or entity (including its employees and affiliates) that enters into a contract with Minnesota Housing must avoid and immediately disclose to Minnesota Housing any and all conflicts of interest through one of the communication channels described in section B.07.

B.05 Assistance to Employees and Affiliated Parties

Any party entering into a contract with Minnesota Housing for the purpose of receiving an award or benefit in the form of a loan, grant, combination of loan and grant or other funding is restricted in issuing a loan, grant, combination of loan and grant or other funding to a recipient (“Affiliated Assistance”) who is also: (1) a director, officer, agent, consultant, employee or Family Member of an employee of the contracting party; (2) an elected or appointed official of the State of Minnesota; or (3) an employee of Minnesota Housing, unless each of the following provisions are met:

- The recipient meets all eligibility criteria for the program;
- The assistance does not result in a violation of the contracting party’s internal conflict of interest policy, if applicable;
- The assistance does not result in a conflict of interest as outlined in section B.04;
- The assistance is awarded utilizing the same costs, terms and conditions as compared to a similarly situated unaffiliated recipient and the recipient receives no special consideration or access as compared to a similarly situated unaffiliated recipient; and
- The assistance is processed, underwritten and/or approved by staff/managers who are independent of the recipient and independent of any Family Member of the recipient. Family Member is defined in section B.04.

A contracting party need not disclose Affiliated Assistance to Minnesota Housing. However, the contracting party must document and certify, prior to the award, that the Affiliated Assistance meets each of the provisions outlined above. This documentation must be included in the Affiliated Assistance file and must be made available to Minnesota Housing upon request. Affiliated Assistance that does not meet each of the provisions outlined above will be considered a violation of Minnesota Housing conflict of interest standards and must be reported by the contracting party through one of the communication channels outlined in section B.07.

B.06 Suspension

By entering into any contract with Minnesota Housing, a contracting party represents that the contracting party (including its employees or affiliates that will have direct control over the subject of the contract) has not been suspended from doing business with Minnesota Housing. Please refer to Minnesota Housing’s website for a list of [suspended individuals and organizations](#) (Go to mnhousing.gov, scroll to the bottom of the screen and select Report Wrongdoing, then select Suspensions from the menu).

The use of e-signatures for eligible program documents is voluntary. Questions regarding which documents Minnesota Housing permits to be e-signed should be directed to Minnesota Housing staff.

B.09 Fair Housing Policy

It is the policy of Minnesota Housing to affirmatively further fair housing in all its programs so that individuals of similar income levels have equal access to Minnesota Housing programs, regardless of race, color, creed, religion, national origin, sex, marital status, status with regard to public assistance, disability, familial status, gender identity or sexual orientation.

Minnesota Housing's fair housing policy incorporates the requirements of Title VI of the Civil Rights Act of 1968; the Fair Housing Act, Title VIII of the Civil Rights Act of 1968, as amended by the Fair Housing Amendment Act of 1988; and the Minnesota Human Rights Act. Housing providers and other entities involved in real-estate related transactions are expected to comply with the applicable statutes, regulations and related policy guidance. Housing providers should ensure that admissions, occupancy, marketing and operating procedures comply with non-discrimination requirements. Housing providers and other entities involved in real-estate related transactions must comply with all non-discrimination requirements related to the provision of credit, as well as access to services.

In part, the Fair Housing Act and the Minnesota Human Rights Act make it unlawful, because of protected class status, to:

- Discriminate in the selection/acceptance of applicants in the rental of housing units;
- Discriminate in the making or purchasing of loans for purchasing, constructing or improving a dwelling, or in the terms and conditions of real-estate related transactions;
- Discriminate in the brokering or appraisal of residential property;
- Discriminate in terms, conditions or privileges of the rental of a dwelling unit or services or facilities;
- Discriminate in the extension of personal or commercial credit or in the requirements for obtaining credit;
- Engage in any conduct relating to the provision of housing that otherwise make unavailable or denies the rental of a dwelling unit;
- Make, print or publish (or cause to make, print or publish) notices, statements or advertisements that indicate preferences or limitations based on protected class status;
- Represent a dwelling is not available when it is in fact available;
- Refuse to grant a reasonable accommodation or a reasonable modification to a person with a disability;
- Deny access to, or membership or participation in, associations or other services organizations or facilities relating to the business of renting a dwelling or discriminate in the terms or conditions of membership or participation; or
- Engage in harassment or quid pro quo negotiations related to the rental of a dwelling unit.

Minnesota Housing has a commitment to affirmatively further fair housing for individuals with disabilities by promoting the accessibility requirements set out in the Fair Housing Act, which establish design and construction mandates for covered multifamily dwellings and requires those in the business of buying and selling dwellings to make reasonable accommodations and to allow persons with disabilities to make reasonable modifications.

B.10 Minnesota Government Data Practices

Minnesota Housing, and any party entering into a contract with Minnesota Housing, must comply with the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13, as it applies to all data provided by Minnesota Housing under the contract, and as it applies to all data created, collected, received, stored, used, maintained or disseminated by the contracting party under the contract. The civil remedies of Minnesota Statutes Section 13.08 apply to the release of the data referred to in this section by either the contracting party or Minnesota Housing. If the contracting party receives a request to release the data referred to in this section, the contracting party must notify Minnesota Housing. Minnesota Housing will give the contracting party instructions concerning the release of the data to the requesting party before the data is released. The contracting party's response to the request shall comply with applicable law.
