Introduction

Mission Statement

Housing is the foundation for success, so we collaborate with individuals, communities and partners to create, preserve and finance housing that is affordable.

Background

The Minnesota Housing Finance Agency (“Minnesota Housing”) was created in 1971 by the Minnesota Legislature.

The Emergency and Accessibility Loan Program (the “Program”) is a part of the rehabilitation Loan Program (RLP). Minnesota Housing created RLP and the Program to complement loan programs available in the private sector to fill the financial gap that exists between low-income homeowners able to secure home improvement financing in the private sector and those homeowners unable to do so.

Procedural Manual

This Procedural Manual sets forth for Lenders the terms and conditions under which Minnesota Housing will purchase mortgage loans originated under the Program.

Emergency and Accessibility Loan Program

Deferred, zero percent interest rate Program loans are available to low-income Minnesota homeowners through participating Lenders. Loans must be for improvements that directly affect an Emergency Condition or Accessibility Improvement.

Chapter 1 – Partner Responsibilities/Warranties

1.01 Procedural Manual

This Procedural Manual, including subsequent changes and additions, is a supplement to the Participation Agreement.

Minnesota Housing reserves the right to:

- Alter or waive any of the requirements;
- Impose other and additional requirements; and
- Rescind or amend any or all materials effective as of the date of issue unless otherwise stated.

Minnesota Housing is under no obligation to purchase any loan or retain ownership of a loan that does not comply fully with this Procedural Manual. Minnesota Housing may grant waivers, alterations or revisions at its sole discretion.

1.02 Compliance with Privacy Act Statutes

The Minnesota Government Data Practices Act:

- Requires the Lender to supply Borrowers with the Tennessee Warning and the Privacy Act Notice (Appendix B) when requesting private data¹; and
- Governs when the disclosure of the Borrower’s Social Security Number is required.

The Minnesota Revenue Recapture Act of 1980 (Minnesota Statutes Sections 270A.01 to 270A.12) allows the disclosure of the Borrower’s Social Security Number or Minnesota Tax Identification Number to the Minnesota Department of Revenue. This could result in the application of funds held by the State, including but not limited to tax refunds, to the payment of any delinquent indebtedness of the Borrower to Minnesota Housing.

1.03 Unauthorized Compensation

The Lender may receive fees approved in this Procedural Manual. However, the Lender shall not receive or demand from a builder, remodeler, contractor, supplier or Borrower:

- Kickbacks;
- Commissions;
- Rebates; or
- Other compensation.

¹ Only the Borrower’s name, address and amount of assistance received are public data and may be released to the public. All other data are private and may be released only to those authorized access by law.

In order to reduce the total rehabilitation cost associated with an eligible property, the Lender may receive discounts from third parties involved in the project improvements. In these cases, the Lender must document in the Borrower file that the discounts received are considered typical for the market area and do not constitute a kickback, commission, rebate or compensation for products or services rendered. Any discounts that exceed what is typical must be documented as a charitable contribution by the representative of the seller, builder, remodeler, contractor or supplier providing the discount.

1.04 Minnesota Housing Due Diligence Audit Guidelines and Requirements

The Lender is required to keep on file a complete copy of documents for each loan originated for purchase by Minnesota Housing. Minnesota Housing will perform a quality control audit of loan files purchased from the Lender and will notify the Lender if a loan is selected for audit. Upon request, the Lender must submit a complete loan package with all documentation that was used to originate and close the loan.

Audited loans are reviewed for:

- Minnesota Housing Program/policy compliance;
- Compliance with federal and state consumer lending regulations;
- Fraud or misrepresentation on the part of any party involved in the transaction; and
- Trends and/or other indicators that may have an impact on the financial viability of the Program in part or in whole.

1.05 Termination of the Lender's Participation

Minnesota Housing may terminate the participation of any Lender under this Procedural Manual at any time and may preclude the Lender's future eligibility for reasons including, but not limited to, nonconformance with:

- This Procedural Manual;
- The Participation Agreement;
- The Federal Fair Housing Law and/or the Equal Credit Opportunity Act;
- Any federal or state Laws or Acts that protect the Borrower's rights with regard to obtaining financing for home improvements; and
- Other applicable state and federal laws, rules and regulations.

Upon termination of a Lender's Participation Agreement, Minnesota Housing will continue to purchase eligible loans for which a Commitment has already been issued, until the Commitment expiration date.

Minnesota Housing may, at its option, impose remedies other than termination of the Participation Agreement for Lender noncompliance.

The Lender may request reinstatement into Minnesota Housing programs. The decision whether or not to reinstate a Lender shall be at Minnesota Housing's sole discretion.

1.06 Representations and Warranties

The Lender agrees to comply with all applicable federal, state, and local laws, ordinances, regulations and orders including, but not limited to, the following (and any applicable rules, regulations and orders thereunder):

The Lender has complied with all terms, conditions and requirements of the Participation Agreement and this Procedural Manual unless those terms, conditions and requirements have been specifically waived in writing by Minnesota Housing.

1.07 Lender Compensation

1.08 Selection of Contractors

The Lender may not choose the contractor Borrowers are responsible for the selection of any contractor who will be involved in completing rehabilitation on the property.

Chapter 2 – Fraud, Misuse of Funds, Conflict of Interest, Suspension, and Disclosure and Reporting

2.01 Fraud

Fraud is any intentionally deceptive action made for personal gain or to damage another. Any person or entity (including its employees and affiliates) that enters into an agreement with Minnesota Housing and witnesses, discovers evidence of, receives a report from another source, or has other reasonable basis to suspect that fraud or embezzlement has occurred must immediately make a report through one of the ways described in Section 2.05.

2.02 Misuse of Funds

A loan and Participation Agreement are legal contracts. The Borrower and the Lender must use the funds to engage in eligible uses or procure certain goods, or services when Minnesota Housing provides funds to the Borrower or the Lender to pay for those eligible uses, goods, or services. Regardless of the Minnesota Housing program or funding source, the Borrower or the Lender must use Minnesota Housing funds as agreed and the Borrower or the Lender must maintain appropriate documentation to prove that funds were used for the intended purpose(s).

A misuse of funds shall be deemed to have occurred when: (1) Minnesota Housing funds are not used as agreed by a Borrower or the Lender; or (2) A Borrower or the Lender cannot provide adequate documentation to establish that Minnesota Housing funds were used in accordance with the terms and conditions of the loan or Participation Agreement.

Any Borrower or Lender (including its employees and affiliates) of Minnesota Housing funds that discovers evidence, receives a report from another source, or has other reasonable basis to suspect that a misuse of funds has occurred must immediately make a report through one of the ways described in Section 2.05.

2.03 Conflict of Interest

A conflict of interest, actual, potential, or perceived, occurs when a person has an actual or apparent duty or loyalty to more than one organization and the competing duties or loyalties may result in actions which are adverse to one or both parties. A potential or perceived conflict of interest exists even if no unethical, improper or illegal act results from it.

An individual conflict of interest is any situation in which one's judgment, actions or non-action could be interpreted to be influenced by something that would benefit them directly or through indirect gain to a friend, relative, acquaintance or business or organization with which they are involved.

Organizational conflicts of interest occur when:

- A contracting party is unable or potentially unable to render impartial assistance or advice to Minnesota Housing due to competing duties or loyalties;
- A contracting party’s objectivity in carrying out their responsibilities might be otherwise impaired due to competing duties or loyalties; and/or
- A contracting party has an unfair competitive advantage through being furnished unauthorized proprietary information or source selection information that is not available to all competitors.

Once made aware of a conflict of interest, Minnesota Housing will make a determination before disbursing any further funds or processing an award. Determinations could include:

- Revising the contracting party’s responsibilities to mitigate the conflict;
- Allowing the contracting party to create firewalls that mitigate the conflict;
- Asking the contracting party to submit an organizational conflict of interest mitigation plan; or
- Terminating the contracting party’s participation.

Any person or entity (including its employees and affiliates) that enters into an agreement with Minnesota Housing must avoid and immediately disclose to Minnesota Housing any and all actual, perceived, or potential conflicts of interest through one of the ways described in Section 2.05.

A contracting party should review its contract agreement and Request for Proposals (RFP) material, if applicable, for further requirements.

2.04 Suspension

By entering into any agreement with Minnesota Housing, contracting party (including its employees or affiliates that will have direct control over the subject of the agreement) represents that it has not been suspended from doing business with Minnesota Housing. Please refer to Minnesota Housing’s website for a list of suspended individuals and organizations.

2.05 Disclosure and Reporting

Minnesota Housing promotes a “speak-up, see something, say something” culture whereby internal staff, external business partners (e.g., the Lenders, Borrowers) and the general public are encouraged to report instances of fraud, misuse of funds, conflicts of interest, or other concerns without fear of retaliation. You may report wrongdoing or other concerns by contacting:

Minnesota Housing’s Chief Risk Officer;

Commitments are to be considered as “forward commitments” by the Lender. It is expected that the loan will be closed within the Commitment period and delivered to Minnesota Housing for purchase.

6.01 Loan Commitments

In order to obtain a Commitment to reserve funds under the Program, the Lender must reserve the loan using the Loan Commitment System. Commitments are valid for 120 days. All Commitments will be automatically cancelled at day 121. Extensions are approved at Minnesota Housing’s sole discretion. Loans must meet eligibility requirements and gain a status of Purchase Approval via the Loan Commitment System no later than the last day a Commitment is still valid.

6.02 Modifying a Commitment

Changes to a loan must be updated in the Loan Commitment System and will be evaluated for compliance with Program eligibility requirements.

Any qualifying Commitment change will not alter the Commitment period originally established.

Changes to Commitments involving the Borrower(s) and/or the property address are not permitted.

An increase to the loan amount will be permitted only if funds are available to accommodate the change.

6.03 Canceling a Commitment

Minnesota Housing requires the Lender to cancel any Commitment that will not be used for the specified Program loan.

6.04 Minnesota Housing Disbursement of Funds

Minnesota Housing will purchase loans that, by the daily cutoff time, have been Purchased Approved in the Loan Commitment System. One hundred percent of the loan amount plus the Lender fee will be disbursed two business days after the loan has been purchased by Minnesota Housing.

A Lender Certificate with details of each purchase transaction will be available to the Lender via the Loan Commitment System after the loan has been purchased by Minnesota Housing.

6.05 Loan Purchase Corrections

If it is determined that an adjustment to the purchase price of any purchased loan is necessary, Minnesota Housing will either invoice the Lender for any funds to be returned or disburse additional funds to the Lender.

Chapter 7 – Documentation Requirements

7.01 Loan Processing and Closing

All loans submitted to Minnesota Housing must meet the following requirements:

All standard loan documents must be on Minnesota Housing forms as provided and may not be altered in any way.

All loan documents must be complete, accurate and reviewed by the Lender at the various and appropriate stages of the loan.

All mortgage assignments must run directly from the Lender to Minnesota Housing and use the Minnesota Uniform Conveyancing Blank.

All mortgages and assignments must be recorded by the appropriate offices:

Abstract Property – County Recorder’s Office

Torrens Property – Registrar of Titles

Tribal government and Bureau of Indian Affairs

Manufactured Homes taxed as personal property and located within a Manufactured Home park require that Public Safety Form 2017 (PS2017), listing Minnesota Housing as the lien holder, be recorded with the Department of Public Safety. The form should indicate Minnesota Housing Finance Agency as the secured party and list Minnesota Housing’s address: 400 Wabasha Street North, Suite 400, St. Paul, MN 55102.

7.02 Loan Modifications and Loan Corrections

The Lender must contact Minnesota Housing for documentation and process instructions, including utilizing the Modification of Note and Mortgage Agreement, and/or Modification of Note and Manufactured Home Security Agreement, in the event of loan amount corrections and/or modifications that occur after loan closing.

7.03 Minnesota Housing Documentation/Delivery Requirements

Minnesota Housing provides the Loan Transmittal form detailing specific documentation/delivery requirements. The Lender must fully execute and deliver documents within designated timeframes as outlined on the Loan Transmittal form. In addition, the Lender must specifically warrant that all applicable documentation has been obtained and reviewed to determine compliance with all Minnesota Housing requirements.

Documentation not delivered to Minnesota Housing/servicer within the specified time frames, may result, at Minnesota Housing’s discretion, in the Lender being required to repurchase the loan, or any such remedy as identified in this Procedural Manual or the Participation Agreement. Minnesota Housing may also, at its discretion, extend the timeframes.

7.04 Documentation Requirements

The Lenders participating in the Program are required to track all applicants and maintain sufficient documentation to show compliance with federal Fair Housing laws. The following data must be gathered for each transaction:

- Application date;
- Applicant's full name;
- Applicant's race/ethnicity;
- Single head of household information; and
- Reason the loan commitment is canceled, if applicable.

7.05 Records Retention

The Lender must retain all loan documents in compliance with federal and state laws, rules, and regulations. The Lender is required to make loan records available for inspection by Minnesota Housing for a period of six (6) years after the loan is sold to Minnesota Housing. Those records that may be requested by Minnesota Housing include, but are not limited to:

- Credit related documents (e.g. paystubs, tax returns, income statements, documentation of assets, etc.);
- Compliance related documents (e.g. Borrower application, Loan Estimate (or its alternative form), Closing Disclosure (or its alternative form), Affiliated Business Arrangement documents, evidence of compliance with the Bank Secrecy/Anti-Money Laundering Act, etc.);

Property related documents (e.g. scope of work, bids, lien waivers, change orders, fees, building permits and completion certificates, evidence of compliance with rehabilitation and lead-based paint standards, etc.); and

- Collateral documents (e.g. title work or O&E reports, evidence of property ownership, a copy of the fully executed Note, a copy of the fully executed and recorded Mortgage, a copy of the fully executed recorded Assignment of Mortgage to Minnesota Housing, etc.).

Chapter 8 – Servicing

8.01 Servicing

Upon purchase of the loan by Minnesota Housing, the Lender must deliver documents outlined in the Loan Transmittal form to the Minnesota Housing servicer. Until the loan is purchased, the Lender assumes all loan servicing responsibilities.

8.02 Delivery of Loans to Servicer

The Lender must forward the loan package according to the requirements outlined in the Loan Transmittal form to the servicer by mail within five calendar days of Minnesota Housing’s purchase of the loan. Upon receipt of the recorded mortgage, the Lender must ensure the original document is delivered to the servicer within ten business days.
