Emerging Principles of 2-Generation work in Minnesota

**Principles of 2-Gen Work in MN**

- Collect, measure, and account for outcomes for both children and parents
- Engage and listen to the voices of families
- Align and link system tools, operations, and funding streams
- Empower staff to work across systems and environments
- Attend to compliance requirements through the system, not the family
- Foster innovation and evidence together
- Provide for culturally relevant and customized services
- Identify and eliminate inequity to ensure success for all
- Provide for culturally relevant and customized services
