

Overview of ENERGY STAR Multifamily New Construction Webinar: Register Today!

Minnesota Housing is pleased to share this webinar opportunity for those interested in an overview of the ENERGY STAR Multifamily New Construction (MFNC) program. The webinar is on **Thursday, August 17 from 12:00 - 1:00 p.m. CT.**

The MFNC program is a streamlined certification program available to multifamily buildings of any height and contains similar technical requirements as the [Certified Homes](#) and [MFHR](#) programs. This webinar will provide attendees an overview of [program requirements](#), [building eligibility](#), the [certification process](#) and the roles and responsibilities of project team members.

MFNC certification is required in 5.1a of Minnesota Housing's [2021 Minnesota Overlay](#) to the [2020 Enterprise Green Communities Criteria](#) with limited certification exceptions.

Questions about the webinar or the ENERGY STAR MFNC program? Please reach out directly to the ENERGY STAR Residential New Construction team at energystarhomes@energystar.gov.
