

## 2023 Distribution of Housing Tax Credits in Minnesota

Date: March 22, 2022

To: Interested Parties

This statement of amounts of Housing Tax Credits available to the various entities cited below are only estimates at this time. The estimates reflect amounts of tax credits equal to the current amounts which are available in the 2023 credit program year. These amounts are based upon:

A Minnesota population figure of: 5,707,390

and a per capita credit volume amount of: 2.6

Final population figures and per capita amounts are not available at this time. Any changes in these factors will cause corresponding reductions or increases to the total credit volume available for distribution to the allocating entities.
