## **HomeHelpMN Gives Homeowners More Time to Apply**

*Minnesota homeowners behind on housing expenses may apply as long as funds last*

[SAINT PAUL, MN] – Minnesota Housing announced today that its homeowner assistance fund, HomeHelpMN, is lifting its August application deadline. The program will continue to accept requests for assistance as long as the program has funds available.

As of July 31, more than 4,300 homeowners have requested assistance. While there is now no application deadline, homeowners with past-due expenses are encouraged to apply as soon as possible due to limited funds.

### **About HomeHelpMN**

Minnesota homeowners who have experienced a financial hardship due to the COVID-19 pandemic and have past-due housing expenses may be eligible for financial assistance to bring their payments current.

Applications for assistance can be submitted online at [HomeHelpMN.org](https://www.homehelpmn.org) or over the phone at 800.388.3226. The website and application are available in English, Spanish, Somali and Hmong. The call center supports these languages and more. Call center hours are from 8 a.m. - 6 p.m., Monday through Saturday.
